SAFETY DATA SHEET

SECTION 1 - PRODUCT IDENTIFICATION

Product Identifier: Ultrasonic Cleaner
Other means of identification: 99-CG, 99-CQ
Recommended use: Cleaning Solution inside of ultrasonic cleaning machine.
Restrictions of use: Only use for intended purpose
Company Identification: OptiSource
40 Sawgrass Dr
Bellport, NY 11713
24 hour emergency number: +1-703-527-3887

SECTION 2 – Hazards Identification

Hazard Classification: Product contains no chemicals considered to be hazardous in accordance to 29 CFR

SECTION 3 –Composition information and ingredients

No components of this mixture are considered hazardous under 29 CFR.

SECTION 4 - HEALTH HAZARDS / ROUTES OF ENTRY

EYE CONTACT:

Direct contact with the liquid or exposure may cause stinging, tearing, redness or swelling.

SKIN CONTACT:

Contact with this material may cause drying of the skin..

INHALATION (BREATHING):

Inhalation of concentrated vapors can cause headache and respiratory fatigue.

INGESTION (SWALLOWING):

While this material has a low degree of toxicity, ingestion of large quantities may cause the following:

Irritation of the digestive tract.

Signs of nervous system depression, such as, headache, drowsiness, dizziness,

SECTION 5 – Fire-Fighting Measures

Flammability Summary:

No data available

Fire/Explosion Hazards: Material is not considered a potential fire and explosion hazard under normal operating conditions

Extinguishing media: Foam, dry chemical or CO2. Water Spray may be used to cool containers. Do not allow contaminated water to enter sewers or waterways

Firefighting Instructions: In case of fire, use normal fire fighting equipment including a NIOSH approved self-contained breathing apparatus. Use water to cool containers

SECTION 6 – Accidental Release Measures

Personal Precautions for Emergency Responders: Evacuate unnecessary personnel. Eliminate any ignition sources until the area is determined to be free from explosion and fire hazards. Contain release and eliminate source if safe to do so. Wear protective clothing, keep unprotected persons away from spill.

Spill Mitigation Procedures

Contain all liquid by creating dike or trench to contain materials. Absorb with inert material.

Decontaminate clothing and spill area with detergent and flush with large amounts of water. Contain all contaminated water for disposal/treatment. Dispose of hazardous waste products according to local/state/federal regulations. Notify downstream users of spill.

SECTION 7 – Handling and storage

HANDLING AND STORAGE PRECAUTIONS: Keep containers tightly closed.

Do not take internally. Avoid contact with eyes skin and clothing. Upon contact with eyes and skin wash with plenty of soap and water.

Store in a cool area away from ignition sources and oxidizers. Dispose of in accordance with local, county, state and federal regulations.

SECTION 8 – Exposure Controls/Personal Protection

OSHA PEL: PEL data not available.

Ventilation: Local exhaust ventilation or other engineering controls typically NOT necessary when handling and using this product. General exhaust ventilation is usually sufficient for general worker safety and comfort.

Respirator type: Air purifying respirator should not be used in oxygen deficient or IDLH atmospheres or if exposure concentrations exceed ten times published limit.

Skin: Wear impervious gloves (butyl rubber, viton, etc) to avoid skin contact. Follow good industrial hygiene practices.

Eyes: Use chemical safety glasses with side shields, safety goggles and/or full face shield where splashing possible.

SECTION 9 – Physical and Chemical Data

Physical State: liquid

Color: Yellow

Odor: odorless

PH: Not applicable

Melting/Freezing point: Not available

Initial Boiling Point/range: Not available

Flash Point: no data available

Evaporation Rate: no data available

Flammability/explosive limits: not available

Vapor pressure (@20 C): no data available
Vapor density: no data
Relative density: not available
Solubility: no data available
Partition coefficient: no data available
Auto ignition temperature: no data available
Decomposition temperature: no data available
Viscosity: data not available

SECTION 10 – Stability and Reactivity

Reactivity/Stability: Stable under normal conditions
Hazardous Polymerization: Will not occur
Conditions to avoid: Ignition sources, open flames
Incompatible Materials: Strong acids and bases
Hazardous Decomposition products: On combustion forms: Carbon Oxides
Decomposition Temperature: No Data

SECTION 11 – Toxicological Information

Component Animal Toxicology

Oral LD50 value: No data
Dermal LD50 value: No data
Inhalation LC50 value: No data
Product Animal Toxicity: No data
Skin irritation: This material is expected to be slightly irritation to the skin and mucous membranes
Eye Irritation: This material is expected to be irritation
Reproductive Toxicity: No reproductive or developmental risk to humans expected.
Mutagenicity: Not reported or known to be mutagenic
Carcinogenicity: This chemical is not known or reported to be carcinogenic by any reference source including IARC, EPA, OSHA, NTP or ACGIH.

SECTION 12 – Ecological Information

Ecological Toxicity Values

Do not allow this material to be released into the environment without proper government permits.

SECTION 13 – Disposal Considerations

Consult local state and national regulations to ensure proper disposal.
This product as constituted does not qualify as an "Unlisted hazardous waste"

SECTION 14 – Transportation Information

Not regulated as per 49 CFR

SECTION 15 – Regulatory Information

United States: Toxic substances control act
The components of this product are listed on TSCA inventory of existing chemical substances.
Safety phrases: See section 8
State right to know regulations:

Pennsylvania, New Jersey, Massachusetts: No information

HMIS Hazard Ratings: Health: 1 Fire: 1 Instability 0 Other B (goggles, gloves

NFPA 704 Hazard Ratings: Health:1 Flammability: 1 Reactivity: 0 Special: NA

Hazard Ratings: Least:0 Extreme: 4

SECTION 16 – Other Information

Date of preparation: 06/21/2022

The data for this safety data sheet was compiled using supplier safety data sheets.

THIS SAFETY DATA SHEET CONTAINS THE FOLLOWING REVISIONS:

Updates made in accordance with implementation of GHS requirements.
